

Litigation

Lawsuits are a fact of life. Whether you need to sue or are being sued, you should obtain an experienced litigator with the knowledge, skills and judgment to fight on your behalf. VF&N's team of seasoned civil litigators both prosecute lawsuits and defend clients in a full range of civil litigation matters, in state and federal courts

“ *The lawyers at VFN have been helping our construction company succeed and grow since 2010. We have worked with Randy Frostick to prepare all kinds of contracts, negotiate disputes and protect our rights in lawsuits as he has helped us with our business and employment legal issues and construction disputes. ...We highly recommend Randy Frostick and Mike Vanderpool to other business owners who want the best attorneys who really care about their clients.* ”

Scott Walker, President of SWDB, Inc.
